MANCHESTER FOLK FESTIVAL

3 DAYS OF LIVE MUSIC IN AND AROUND THE NORTHERN QUARTER

WWW.MANCHESTERFOLK.COM

WELCOME

David Agnew,
Artistic Director

We're thrilled to invite you to join us in some of Manchester's finest music venues for a fresh new take on Manchester Folk Festival.

We move to the Northern Quarter and Ancoats for our 7th year. Iconic, atmospheric and brilliant venues will host our programme bursting with incredible, inspiring artists who represent the very best in folk, traditional and acoustic music. As always, you can tailor the festival to your own tastes; individual tickets are available for all gigs, or, if you want to see as much fantastic music across the three days as you can, you can purchase a festival wristband for access to all performances, including exclusive access to the international concert programme.

We'll see you there!

ACCESS

We use a range of venues at Manchester Folk Festival and although all are accessible, in order to give the best possible experience, we need to let some venues know in advance if we have any audience members who are wheelchair users or require assistance.

If you are a wheelchair user or require an essential companion ticket, please email info@englishfolkexpo.com to let us know before purchasing a ticket.

TICKETS

Festival wristbands and tickets for individual gigs can be purchased via our website. No advance booking is required for our free events. For more information and to buy tickets head to www.manchesterfolk.com, or scan the QR code.
